Pt X, Line 2	<p>The Organization is exempt from federal income taxes, under Section 501(a) of the Internal Revenue Code, as an organization described in Section 501 (c)(3). In addition, the Organization has been classified as an organization that is not a private foundation under Section 509 (a) (1). Income that is not related to exempt purposes, less applicable deductions, is subject to federal and state income taxes. The Organization did not have any unrelated business income for the year ended December 31, 2016. The Organization adopted the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) for Accounting of Uncertainty in Income Taxes without any material effect to the financial statements. These recommendations clarify the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. They also provide guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Organization's financial condition, results of operations or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2016.</p>
